The fire, which spread to part of the stables, and through which and the smoke a galling fire was kept up by the Imperial troops, was with difficulty extinguished, and, as the presence of the enemy in the adjoining buildings was a grave danger to the Legation, a sortie was organized to drive them out. A hole was made in the Legation Wall, and Captain Halliday, in command of twenty Marines, led the way into the buildings and almost immediately engaged a party of the enemy. Before he could use his revolver, however, he was shot through the left shoulder, at point blank range, the bullet fracturing the shoulder and carrying away part of the lung. # Scottish Provident Institution.

ESTABLISHED 1837.

IN THIS SOCIETY are combined the advantages of  
**Mutual Assurance** with **Moderate Premiums**.

THE PREMIUMS are so moderate that an Assurance of £1200 or thereby may generally be secured from the first for the yearly payment which usually would be charged (with profits) for £1000 only—the difference of £200 being equivalent to an *immediate* and *certain* bonus of 20 per cent.

THE WHOLE SURPLUS goes to the Policyholders, on a system at once safe and equitable—no share being given to those by whose early death there is a *loss* to the common Fund.

THE SURPLUS at the 1901 Investigation was £1,581,000.

**Over 60 per cent.** of the Members who died during the Septennium were entitled to **Bonuses** which, **notwithstanding that the premiums do not as a rule exceed the non-profit rates of other Offices**, were, on the average, equal to **an addition of over 50 per cent.** to the Original Assurances.

**ACCUMULATED FUNDS** exceed **£12,500,000.**

All the conditions of Assurance are arranged on the most equitable basis.

## *Officers of the Army and Navy*

may cover War or Climate Risk, or both, by an uniform annual extra premium of moderate amount, payable for any period *not exceeding ten years*, but ceasing on permanent retirement from the Service. This arrangement secures relief from the necessarily heavy extra charges which would otherwise be imposed as occasions might arise; but it can be taken advantage of only when there is no near prospect of Active Service or Foreign Residence.

**ENDOWMENT ASSURANCE—with Profits—SPECIAL CLASS.**

Captain Baird was on the right of the fighting line, and had only a small party of Gurkhas and men of the 4th Kashmir Rifles. He was wounded on the heights at a distance of a mile and half from the fort. When Surgeon Capt. Whitechurch proceeded to his rescue, the enemy, in great strength, had broken through the fighting line; darkness had set in, and Captain Baird, Surgeon Captain Whitechurch, and the sepoys were completely isolated from assistance. Captain Baird was placed in a dooly by Surgeon Captain Whitechurch, and the party then attempted to return to the fort. The Gurkhas bravely clung to the dooly until three were killed and a fourth was severely wounded. Surgeon Captain Whitechurch then put Captain Baird upon his back and carried him some distance with heroic courage and resolution. The little party kept diminishing in numbers, being fired at the whole way. On one or two occasions Surgeon Captain Whitechurch was obliged to charge walls, from behind which the enemy kept up an incessant fire. At one place particularly the whole party was in imminent danger of being cut up, having been surrounded by the enemy.
